Marquee Hire Ancillary Equipment:

FLOORING

Various Options including; Plain Grass!(cheapest!)

Circus Ring Mats / Carpet / Marquee Matting / a Mixture / fake grasses

The type needed depends on event requirements / final use and existing surface.

Installation / removal / clean up, especially days of jet washing & drying, is labour intensive.

To aid damp proofing; carpets and matting are

laid on ground sheet & nailed though into the ground

(note that in inclement weather or on saturated ground, seepage can occur)

The natural choice; traditional, warm and acceptable in most situations.

Coconut Matting colour RED. (light brown available too)

Marquee Matting; Modern "Dandy Dura" Tm. In **NATURAL FLECK COLOUR.**(light brown)

Carpet; mostly anthracite grey used. But many colours available.

Red carpet effects happily done.

Wooden Floor (normally covered with Carpet)

This is the most time consuming method and most expensive.

Prices upon application.

depends on amount/ quality/ 2nd hand or brand new

Swags, Linings, Decor

Linings not normally needed.

But decor can be very nice and thematic

many colours available. E.g.;

Red/burgundy/ velvet effect swags to go around top of walls inside

adds a touch of class and lushness.

overlays/ swathes of cloth, available to decor too.

all materials inherently fireproof and tested to BS5867

Dance floors

Ours is currently a black and white one, new 2011

5x5 m or 4x4 m

smaller size £250

with a tent £200

natural red coconut matting

coconut matting in natural brown colour available to Marquee Cord /Exhibition style thin carpet or washable Dandy Dura as below

Anthracite Carpet.

red coconut matting makes a fine red carpet too!

Coconut Matting; best kept dry.

each roll of coconut matting is 6.09 x 1.8m overlapped.

"Dandy Dura" Marquee Matting. Polypropylene (Natural Fleck colour) lengths 6m, 9m & 12m, each 1.8m wide.

Jet washed to clean. Takes a lot of work!!

If you prefer CARPET..we use

Marquee Cord /Exhibition style thin carpet

Costs approx £2 per sqm when new required.

Large colour range. & is cut to fit the shape of tents.

Pre-used often available/condition variable

It is technically fully Recyclable. Due to partying; only sometimes reusable!

Realistically, you get one good use out of new carpet,

if it is salvageable we may keep it and use at "not so smart" events

or you may keep it too!

Though we make every best effort, no matter which flooring used,

Pristine condition is only really possible with brand new stock.

carpet and matting can be used for walkways.

We have had every kind in the tents

Twinkly Fairy Light led ones.

Colour Changing Led ones.

as also shown in red carpet picture above.

2m,4m,6m.
£30-£50-£70.

Linked Tents.

We do our best to gutter tents when linking to try and avoid water ingress.

By adding a further tent to the straight sides of our oval tents you can
expand the capacity considerably, or create new rooms.

Reception or Catering tents are often linked to the main tent.

Simple linkages included in the tent hire prices.
